Final Note by the Second Member of Council.

Subject.—

Deputation of delegates to the All India Local Self Government Conference at New Delhi.

23) These papers relate to the question of sending delegates from the State to the All India Local Self Government Conference proposed to be held at New Delhi.

24) On a reference made to Government by the Secretary, Executive Committee of the Conference, suggesting that each local body in the State with an income of over Rs.50,000 might be permitted to depute one delegate to the Conference, meeting his travelling expenses and delegation fee from its funds, he was informed that the local bodies concerned might be addressed direct on the subject and that any proposals made by them would be considered by Government on their merits according to law. Copies of the reply were also sent to the Presidents of the District Boards and the Deputy Commissioners of Districts for information.

25) The Presidents of the District Boards of Kolar, Shimoga, Tumkur, Hassan and Mysore accordingly submitted for the sanction of Government the resolutions of the Boards for deputing a delegate from each Board to the Conference and meeting the travelling allowance and other charges from the District Fund. It was, however, felt that it would be sufficient to depute only two delegates from the whole State and the Presidents of District Boards have accordingly been requested to decide, in consultation with one another, as to which two of them should proceed to Delhi to attend the Conference and intimate their names for the approval of Government.

26) The connected papers are submitted for His Highness' gracious perusal.

(Through the Deputy Commissioner, Chitaldrug District.)

Sir,

With reference to your letter No.L 5734-41/L.B.83-35-8 dated 31st January 1936 suggesting that only two of the Presidents should attend to the All India Local Self Government Conference to be held at Delhi and that we may select those two etc., I have the honor to state that it would be better if each Board is allowed to send its own delegate instead of sending only two delegates, from Mysore State. This conference is first of its kind and if all the Presidents were to attend the same, it would be of great value to them in underdtanding the working of the Local Self governing institutions in the rest of India and I would value such an experience as a grant as sent in administrating our own institutions. Besides, it would be of great value espicially to the non-officials, if an opportunity is given to as many as possible, to partake in the actual deliberations of the Conference. I therefore request the Government to allow each Board to send its own delegate to attend the said Conference. I earnestly plead that the Government would be pleased to reconsider their decision and allow each Board to send its own delegate so that all of us could have an opportunity to attend the same jointly and take part in the actual deliberations of the Conference.

I therefore request you to kindly place this matter before the Government for their kind consideration and obtain their early orders and communicate the same very early for further necessary action.

Thanking you for early reply.

Sir,

With reference to your letter No.L.5734-41/L.B. 83-35-8, dated 31st Jany.36, in the matter of deputing a delegate to the ensuing Local Self-Government Conference at Delhi, I have the honor to state that it is the intention of the Local Self-Government Conference that each Local Body may be represented separately at the Conference and in this view, resolutions have been framed accordingly by the District Boards and submitted to Government.

I am of opinion that the terms of reference of each District Board in this respect need consideration in the spirit in which they have been made and that the suggestion to restrict the delegates to two members only does not appear to me to be appropriate and I recommend that the resolution of this District Board may be sanctioned - as already requested.

Should this view does not, however, commend itself to Government, I regret that I am unable to subscribe my views against the express terms of the District Board's resolution already submitted to Government in this behalf.

As the dates of the conference have already been fixed up, I request that needful sanction of Government may kindly be communicated to me in the matter at an early date.

Sir,

Adverting to your letter No.L. 5734-41/L.B. 83-35-8 dated 31st January 1936 regarding the sending of delegates from the District Boards to the All India Local Self Government Conference to be held at Delhi, I have the honour to state that the question of selecting two persons out of the 8 District Board Presidents would involve much difficulty not only in selection but also in sharing the cost etc. Besides it is not possible to decide the matter with justification to all the Boards. As 5 District Boards have already passed resolutions in the matter it would be reasonable to allow the other 3 Presidents also to go, so that all the 8 may go in a body and take part in the Conference. Hence I request you to kindly move Government to pass orders in the matter and communicate the same to me at a very early date.
